Abstracts must not exceed 250 words, typewritten and outline objective(s) of the presentation

Any participant wishing to display a poster concerning their work at the 25th Annual ACOG Symposium should submit an “Abstract Submission Form” to address below. Topic areas should be related to oncology including cancer issues in general.

Abstracts must be received on or before Friday, May 6th, 2022. Abstracts should (i) be a maximum of 250 words and (ii) outline the objective(s) and primary emphasis of the presentation.

Participants will be given the opportunity to present one poster of their work. It is expected that the work presented will include original data not already published. Only those posters, whose abstracts have been reviewed by the organizers, may be presented. Posters should be ready for viewing on Friday, June 17th and Saturday, June 18th, 2022. Posters selected for presentation will be entitled to have registration (for one individual) to the 25th Annual ACOG Symposium waived.
